AGENZIA NAZIONALE ERASMUS+ INDIRE

Flusso di Mobilità Erasmus+

LOCATION:Malta

DATES: from 16/05/2026 to 23/05/2026

Training course: Club 50 General English, Maltalingua School

Teachers (kindergarten, primary or secondary) o ATA:

- **Busani Angela Francesca: ATA**
- **Gatta Anna: ATA**
- **Ena Antonella Gaetana: Teacher, Primary school**

Course program: 20 lessons per week, level studied at: A1-A2

SCHEDULE:

Day 1

- Arrival in St. Julians, Malta, at about 2 pm with luggage storage at the hotel. In the afternoon, organization of the following days and identification of the Maltalingua school, walk to Sliema and subsequent arrival in Valletta, capital of Malta. A true jewel of the Baroque, it is an open-air museum and a really interesting city full of suggestive corners. View of the Fort of St. Elmo and the church of St. Dominic of Guzman.

Day 2

- Visit to the nearby island of Gozo to discover the historical and artistic beauties. Visit Rabat **(**Victoria) and its Citadel**,** a small fortified city in the heart of the country and the most visited tourist attraction on the island that houses the Cathedral of the Assumption, various historic buildings and a series of museums.

- We move to Xaghra where we visit Ggantija Archaeological Park, the oldest man-made temples in the world inscribed on the UNESCO World Heritage List**.**

- In Gharb we admire the Basilica of Ta Pinu, the most important Sanctuary in Malta**.**

Day 3

- 11.30 am arrival at Maltalingua school: presentation of the required documentation, initial interview to test the personal level of the English language and information from Julian Micallef, the Operations Manager at Maltalingua Language School. Welcome and first acquaintance of some students from all over the world. We meet Lavinia, from China, Hana and Teresa from Poland, Hana Czech Republic.
- 15:15/18:30, first lesson with Maestro Carlos:
    1. Create closed questions to find someone who -
    2. Interview each other to find the most compatible person
    3. Read for specific understanding
    4. Review and use comparatives

  In the evening, night visit of the city of Valletta: Triton Fountain, statue of Independence, the famous Barrakka Gardens.

Day 4

- 09:00/12:30 Lesson:
    1. Listen and identify languages
    2. Form and use superlative adjectives
    3. Pronounce superlative correctly
    4. Use superlative correctly in a task
    5. Compose and give your opinion using superlatives
    6. Correct homework
    7. Review verb + noun

Socialization with colleagues in the classroom and in the school becomes safer by using the English language.

- In the afternoon, study, review of the lesson and carry out the assigned homework.

Departure for the uninhabited island of Comino: trekking and naturalistic visit of the area. Although with difficulty, we express ourselves in English to ask for directions, buy tickets and to get to know our travel companions better.

Day 5

- Morning visit of the cities of Rabat and Mdina (Malta's first capital): entrance to St. Paul's Church and the Cathedral Museum, Bastion Square with a view from above, the Ramparts and the fortification, 3D audiovisual show "The Knights of Malta" which tells the story of the arrival of the Knights on the islands. Direct experience: we try to express ourselves in English in everyday life.

- 15:15/18:30 lesson

    1. Review yesterday’s homework
    2. Discussion about health/sport
    3. Use vocabulary related to the topic
    4. Listen for general and specific information
    5. Speak in a free and communicative activity
    6. Activities for couples and small groups

Day 6

- 09:00/12:30 Lesson:
    1. Review and use vocabulary
    2. Chat house
    3. Use personality vocabulary
    4. Create their dream house
    5. Use questions to start small talk
- Break and moment of socialization in English with other students present.
- Afternoon in Valletta: visit the beautiful Co-Cathedral of St. John the Baptist, one of the largest cathedrals in the world and one of the main examples of Baroque architecture in Europe, embellished with paintings by Caravaggio and works by Mattia Preti. The monument, like the whole center of Valletta, is part of the UNESCO sites. Visit to the Grand Master's Palace, seat of the President of the Republic of Malta.

Day 7

- 12:30 Meeting at school, delivery of certificates and convivial moment for everyone.
- 15:15/18:30 lesson:
    1. Review topics
    2. Test
    3. Conclusion and Greetings
- Dinner with Lilla, our Hungarian friend. We are amazed at how imperfectly we manage to make ourselves understood and understand her. We tell each other about the beauty of our countries, food, our work and our families.
- Packing for tomorrow's return

Day 8

- At 10 we head to Malta airport for the return to Milan Malpensa. Tired from the many kilometers traveled on foot and by any means, we return deeply enriched by the beauties that our eyes have admired, by the progress made in the knowledge and use of the English language, by the special people we were lucky enough to meet, by the many laughs that accompanied this wonderful experience and that we wish everyone to be able to experience.
